May your Holidays be filled with joy and good cheer and the New Year bring you peace and happiness!!

This coming summer is sure to be a “fun-tastic” one with lots of fun activities being planned. We are excited about an activity called “Magical Maze Games” to Jellystone Park this summer. We ordered it to arrive last summer but the shipment was delayed and finally arrived in September after we had closed. So, it will be fun to try them out this summer!! These maze games can be played by all ages!! It takes strategy and coordination to get through the maze and become the master of the maze! It’s a test of your steadiness and concentration!

Did you get to try out the Gel Blaster Challenge new last summer? If not, check out the activity schedule to see what date and time it is scheduled! Teams will spar off to see who can blast their opponents the fastest! It’s like paint ball without the mess. All natural, non-toxic, non-irritating, starch-based material that bursts on contact and immediately evaporates. No stains, no residue, and no mess. It will be a BLAST!!

We begin accepting reservations each year on **January 1<sup>st</sup> at 12:01 am** so call early especially if you are booking a cabin as they book up quickly. **We return all calls in the order they are received.** Rest assured we will return your call !! No need to call us to see if we received your message.
